TRANSMITTAL OF SUPPLEMENTAL INFORMATION DISCLOSURE
STATEMENT UNDER 37 CFR 1.97(e)(1)

Box DD
Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Provided herewith are copies of patents and publications as listed in the attached PTO-1449 (supplemental).

Each item of information contained in the Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application mailed not more than three months prior to the filing of the statement. 37 CFR 1.97(e)(1).

While the statement may be "material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such. The filing of this statement does not mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists.
